### LODGING

Lodging is optional in the dormitory of the Oxford College in which your session will be held. The colleges date back to medieval times, meaning they are aesthetically pleasing but not very accommodating for those that require assistance due to limiting physical factors.

If you are staying with us in the dormitory and will require a ground floor room due to a disability or injury, please indicate the reason here \_\_\_\_\_.

If you decide to stay in a nearby hotel, we have a few recommendations on our web site at:  
[www.oxfordroundtable.co.uk](http://www.oxfordroundtable.co.uk).

You are welcome to email this form to:
